

Declaration of Consent

I, the undersigned, understand that the ATR Network-BMI Consortium requires that the following Data Use Terms be signed, submitted and approved before applicants may receive access to the Network-BMI Brain Database generated by the Network-BMI Project (NBP; supported by a contract with Japan's **Ministry of Internal Affairs and Communications (MIC)** entitled, 'Novel and innovative R&D making use of brain structures'). I hereby give consent to the following terms of use of the Network-BMI Brain Database (hereinafter referred to as "NBP Data").

A. Definitions of NBP Data Elements covered by these terms:

1. Brain data (fMRI, EEG, NIRS)
2. Subject information (age, gender, handedness)

B. Qualification to Obtain Access:

I, as an applicant, am expected to meet one of the following criteria to qualify as a party granted access to NBP Data:

1. I am a Principal Investigator (PI) of scientific research at a university, a research organization (including commercial entities) or a government agency who is the leader of a laboratory or research team or who is working independently; or
2. I can provide the name of the PI who is overseeing my research and is approved for access under #1.
3. If I do not meet either of the above criteria, I may still be considered qualified based on a track record of scientific publications or on the basis of a written reference from someone who meets qualification #1, verifying that the data will be used only for the purpose of legitimate scientific research.

C. Responsibility for NBP Data

1. ATR is responsible for the data uploaded to the NBP Database. If ATR finds any bug or mistake, ATR will appropriately update the database and release information describing such changes on the NBP Database website (<http://www.cns.atr.jp/dbi/download/>).
2. ATR accepts no responsibility for any direct or indirect damage or any loss attributed to the use of NBP Data.
